

MOONLIGHT

Moonlight Teams up with KBank Siam Pic-Ganesha for a World-Class Magical Performance:

“Toyota Presents Cyril Magic Up Close & Personal Live in Bangkok”

Having wowed the audience worldwide, Cyril Takayama, the famous illusionist, one of the early pioneers of street magic, sets to premiere in Thailand his spectacular magical show **“Toyota Presents Cyril Magic Up Close & Personal Live in Bangkok”** this June. The project is the collaboration between **Moonlight Consulting Co., Ltd.**, one of the managements who brought Liverpool and Real Madrid to Thailand, and **KBank Siam Pic-Ganesha**, the producer of impressive Homrong the Musical.

“A Japanese friend of mine, and of Cyril too, told me that he and Cyril had a chance to visit Chiang Mai once. Cyril fell in love with Thai food, the tropical weather, and the Thainess so much that he truly hoped to perform in Thailand. So I thought of Workpoint and talked to them about organizing the performance in Bangkok. Fortunately, it happened that they had had the intention to bring in the show too. It was such an intentional coincidence. And that’s the origin of this project. I once co-managed to bring in Liverpool and Real Madrid to play with our Thai National team so I exploit my previous experience of international management to be of benefit to the project together with KBank Siam Pic-Ganesha,” said **Wynth Udompholkul**, the Managing Director of **Moonlight Consulting Co., Ltd.**

“We have recognized Cyril’s renown and been his fans for a long time. Our team has been interested in inviting him to perform in Thailand. He is a one-of-a-kind entertainer with charisma. We know he will definitely amaze, excite and impress the audience with his magic tricks. If anyone has ever seen his performance before, they would know it has something special. With the mission of pursuing world-class contents for Thais we didn’t hesitate to join forces with Moonlight,” revealed **Chayanun Thepwaninkorn**, the Managing Director of **KBank Siam Pic-Ganesha**.

“Toyota Presents Cyril Magic Up Close & Personal Live in Bangkok” is to be performed at KBank Siam Pic-Ganesha, Center of Performing Arts, Floor 7, Siam Square One, during June 16-19, 2016.
